

Confiderm® 3.5C Nitrile Exam Gloves

McKesson Confiderm® delivers the right combination of fit, feel, durability, and value in latex-free exam gloves. Our Confiderm® 3.5C nitrile exam gloves provide you with comfort, strength, and protection. Your hands will feel safe and secure throughout the day. The gloves' tactile sensitivity enables you to work with even the most delicate items; you can even feel a baby's pulse with Confiderm gloves. Choose McKesson for a wide selection of exam gloves.

Features and Benefits

- Tested for use with chemotherapy drugs
- Thin with high tactile sensitivity
- Lightly-textured fingertips
- Larger quantity per box to help save time and reduce waste
- Powder-free and non-sterile
- Not made with natural rubber latex
